## V. RECOMMENDATIONS

- Travellers are advised to bring along any medication that they take on a regular basis.
- Hospitalisation costs are covered by the participant (via their insurance or through direct payment).

ANNUAL MEETINGS
ASSEMBLÉES ANNUELLES
ABIDJAN | CÔTE D'IVOIRE
MAY 26-30 MAI 2025

# MEDICAL GUIDE

# I. USEFUL TIPS BEFORE DEPARTURE

## Mandatory Vaccination

- Present a valid international certificate of vaccination against **YELLOW FEVER**.
- If this is not possible, travellers can be vaccinated at the airport health control post. Cost of vaccination (vaccine + booklet): CFAF 7,000 (equivalent to EUR 10.7)
- Travellers who refuse will not be allowed to enter the country.

## Anti-malarial prophylaxis

Take Atovaquone 250 mg + Proguanil 100 mg as follows:

- 01 tablet per day during your stay in Côte d'Ivoire.
- 01 tablet per day for one week after leaving Côte d'Ivoire.

## Health insurance

Take out insurance to cover any health needs.

**NB: The Abidjan Heart Institute does not accept payments through insurance.**

# II. MEDICAL ASSISTANCE : SAMU

## Medical care system
